Re: Skateboards/Balloons/Animals/Glass**

Dear Parents/Students,

This is just a reminder that skateboards, helium balloons, glass of any kind and animals are not allowed on school buses. If your child/children must bring any of the above listed items to school please make other transportation arrangements for your children to and from school for that day.

Fife School District takes pride in providing safe transportation for all of our students. Thank you for your understanding and cooperation in this matter.

Sincerely,

**Damian Jenkins
Assistant Director of Transportation
Fife School District
