

Washington D.C. Contract

To: 8th graders and parents interested in the Washington D.C. Trip
From: Mr. Storholt
Re: Eligibility and expectations

The Washington D.C. trip is a wonderful opportunity to experience first-hand our American history and government. The trip lasts five days and five nights. We visit sights in Washington D.C. and the surrounding areas. This is an **educational tour not a vacation**. The tour is structured to show the overwhelming number of sights in these areas. It is important to understand and accept the time frames for each of the activities. There is a world of learning and enjoyment in our nation's capital, but there are five requirements involved in a student being eligible for the trip.

Any student interested in the trip must:

1. Pass all classes during the first semester and be passing all classes at the third quarter mid-quarter report.
2. Not be referred to the office more than once due to behavior or not to be suspended from school.
3. Write a one page essay on why you want to go (assignment).
4. Turn in two letters of recommendation (from non-family members).
5. Complete payment for the tour to World Strides on or before the final payment date.
