

Why do I want to visit Washington D.C.

Essay

So you want to go Washington, D.C.? Well, since this trip is an educational tour and not a vacation, I would like you to write a typed, double spaced essay (minimum of one page) on the reasons why you would like to go. Talk about your grades, behavior in school, what this trip would mean to you, and what you hope to learn from it. I would also like you to include at least one paragraph about the history of a famous building or memorial in the D.C. area (see the list below). If you have any questions let me know.

White House	The Capitol Building	Supreme Court	National Archives
Library of Congress	Ford's Theater	Lincoln Memorial	WWII Memorial
Vietnam Memorial	Korean war Memorial	FDR Memorial	Iwo Jima Memorial
National Cathedral	Smithsonian Institution	Kennedy Center	Alexandria, VA.
Petersen House	Jamestown Settlement	Colonial Williamsburg	
Arlington National Cemetary	Washington Monument		

If you have any questions let me know.
