

## What Dare Means to Me

*By Kiana M*

DARE means so much to me, it has taught me that:

**D** – Don't do drugs. Don't kill you life as well as your body.

**A** – Although your friends are doing drugs, stealing, going under the influence doesn't mean you do it too.

**R** – Reject drugs because killing yourself is not an option in your life.

**E** – Eliminate all thoughts of drugs, drinking, and shooting up because each one of us is special.
