## Nonresident District Students

Any student who resides outside the district may apply to attend a school in the district. A parent or guardian shall apply for admission on behalf of his or her child by completing an Application for Nonresident Student Transfer Request. The request must also be accompanied by the Choice Transfer from the home school district. All applications for "continuing transfers" will be reviewed on a case-by-case considering principal recommendation and school records. "Initial transfers" or new applicants may submit applications after January 15<sup>th</sup> of each year. Initial transfers will be considered on a first-come, first serve basis considering continuing renewals before new applicants. Applications for nonresident transfer for grades 1-12 of the following year will not be reviewed until April 15<sup>th</sup>.

\*\*Note: Decisions for nonresident Kindergarten Placement for the following year will not be reviewed until June 30th. Applications will be accepted after January 15<sup>th</sup>. Kindergarten nonresident applications will be considered on a first-come, first-serve basis pending space availability.

**Non-resident assignments are for one academic year only.** You must submit a new application each academic year to request continued enrollment in Fife Public Schools. To be considered, both the Choice Transfer from the home school district and the Fife Public Schools **Nonresident Student Transfer Request** must be completed. This completed application does not imply approval into the school district.

The principal or the Office of Enrollment may request the student's records to confirm the information presented in the application prior to making a decision. The decision to accept or reject is based on the criteria as outlined in Policy 3141 and Procedures 3141P.

If a nonresident student is accepted, **the parent/guardian is responsible for providing transportation for the student**. Decisions for the current year will reviewed in a timely manner after the application is complete.

Nonresident high school student athletes must meet the eligibility of the Washington Interscholastic Activities Association (WIAA) to participate in varsity sports.

The parent/guardian will be notified by email (or postal mail if an email address is not provided) of acceptance and the effective start date, or rejection. If the request is rejected, the notification will include the reason for the denial and steps to appeal the decision. If a district does not respond to a request within 45 days of the request, the request is treated as a denial and the parent/guardian can appeal.

If the application is denied, the parent or guardian may request a meeting with the assistant superintendent to present information pertinent to the application. A final decision will be communicated to the parent in writing within 5 school days. The meeting can be arranged by calling (253) 517-1000.

The final decision of the district to deny the admission of a nonresident student may be appealed to the Superintendent of Public Instruction or his or her designee.
