## *This we believe...*

### ...about students

- All students should be prepared for college and career ready and to live and compete in a global society
- All students can learn—but at different rates and in different ways
- All students deserve our attention, the opportunity to be engaged in high quality student work, support and encouragement as they progress in our learning system

### ...about our community partners

- Collaboration is paramount and partnership with our parents, families and our community around common goals is essential
- Providing meaningful volunteer opportunities through active outreach will equip parents and families with educational tools to assist in student learning
- Designing advanced service learning opportunities—while leveraging support, expertise and resources of our community—will facilitate active outreach and inclusive partnerships

### ...about our district

- It is our responsibility to recognize and respond to our changing community
- Having a high quality work force is the best way to meet the unique and diverse needs of our students and to ensure success for all students
- Collaboration amongst staff, families, and community is essential to meet the needs of our students.
- By including our entire community in collaborative conversations, we create a partnership that is unprecedented in other school systems.
- Sound and responsible fiscal management is a non-negotiable for Fife Public Schools
